LEFT BLANK ON PURPOSE

Grand Dog Studio

**By installing and using our software you therefor
have declared to agree to all the terms below.**

Contents of the Software License

THE CONTENTS OF THIS PROJECT ARE PROPRIETARY AND CONFIDENTIAL. UNAUTHORIZED COPYING, TRANSFERRING OR REPRODUCTION OF THE CONTENTS OF THIS PROJECT AND ITS SOURCE CODE, VIA ANY MEDIUM IS STRICTLY PROHIBITED.

The receipt or possession of the source code and/or any parts thereof does not convey or imply any right to use them for any purpose other than the purpose for which they were provided to you.

The software is provided "AS IS", without warranty of any kind, express or implied, including but not limited to the warranties of merchantability, fitness for a particular purpose and non infringement. In no event shall the authors or copyright holders be liable for any claim, damages or other liability, whether in an action of contract, tort or otherwise, arising from, out of or in connection with the software or the use or other dealings in the software.

The above copyright notice and this permission notice shall be included in all copies or substantial portions of the Software.

Contents of the End-User License Agreement

1. **Grand Dog Studio** hereby provides and gives you access to a license to use the licensed software. This right is limited to use by you as a natural person who is not acting in the exercise of a profession or business, note that this counts for you as well as your housemates.
2. This license is personal to you. The software may be used for free and in an unlimited number of computers to be installed on, but only an authorized user (or the authorized number of users) may actually use these installations.

It is not permitted to (as stated within and earlier above this page):

- Reverse engineering the source code of the software or modify the software decompile, except in so far as this is required and allowed by mandatory law.
 - To give a copy of the software to third parties other than your housemates.
 - Sublicense or make the software available to third parties, through rental or by making the software as your own service or otherwise.
 - Make changes to the software, except in so far as this is the case provision of mandatory law is permitted.
3. You may make a backup copy of the software. However, you may use this backup not to use or trade or distribute independently other than in combination with the original software.

Intellectual Property

All rights to the software, accompanying documentation and all modifications and extensions to both are and remain with Grand Dog Studio. You are exclusively acquiring the rights of use and powers arising from the purport of these agreement or that are granted in writing and otherwise you may not use, reproduce or disclose the software.

Consideration:

You are responsible for installing and using the software.

The documentation lists the recommended hardware and software environment Requirements.

Updates:

Grand Dog Studio periodically releases updates that fix bugs or update the improve the functioning of the Software and the website. Please check the software website regularly for the latest versions. There is never any liability for damage resulting from errors that have been corrected in an update that you did not install.

Software Support:

Grand Dog Studio will give equal support to you and all copies of the KZX Engine that are within your possession. The receiving party must commit to Grand Dog Studio and by accepting this EULA & Software License.
